

Why The Eucharist?

The Eucharist is rightly called, "the Sacrament of the Sacraments" because it stands out as the greatest gift of Divine Love to humanity. All sacraments convey grace but only the Eucharist gives the Author of Grace. Christians who recognize this truth center their lives on Jesus in His sacramental presence. It is the best path to eternal happiness.

The Catholic Church, along with other historic Christian bodies, heartily affirms the Real Presence of Jesus Christ in the Eucharist. This sacrament contains the humanity and divinity of Christ communicated to all who receive it. For this reason, it holds pride of place in God's dealings with the human race. God's philanthropy, His love for humanity, is the deepest motivation for the gift of the Eucharist.

Anyone who cherishes the Eucharist will benefit from the Project, including clergy, theologians, other scholars, and the laity.
